PROVIDED VALID November 27 - 28, 2014 ONLY unless otherwise noted. Regular prices are offering prices and may not have resulted in sales. Immediate markdowns may have been taken. Sales prices not valid in conjunction with any other discount, promotion or offer. Reductions may have been taken from tagged prices. Limited quantities available. Selection varies per store, and some styles may not be available in all stores. "ct" (carat) and "ctw" (carat total weight) refers to approximate carat total weight. Diamond weights are not exact and refer to both solitaire and multiple stone diamond jewelry. 1/5ct=0.18-0.22ct; 1/4ct=0.23-0.28ct; 1/3ct=0.29-0.36ct; 3/8ct=0.37-0.44ct; 1/2ct=0.45-.0.58ct; 3/4ct=0.69-0.79ct; 1ct=0.95-1.12ct; 1 1/4ct=1.20-1.28ct; 1 1/2ct=1.41-1.58ct; 1 3/4ct=1.67-1.79ct; 2ct=1.94-2.12ct. In 10k unless otherwise noted. Natural gemstones may have been color and/or clarity treated by: heating (generally); oil/wax/resin (opals, emeralds); diffusion (sapphire, rubies, topaz); fissure-filled with a glass-like by-product (rubies, sapphires); or irradiation (diamonds, blue topaz). Most gemstones require special care in jewelry repair and/or cleaning. Gemstone jewelry should only be gently cleaned by rinsing in warm water and drying with a soft cloth. Merchandise enlarged to show detail and may not be exactly as pictured. Should any pricing or copy errors occur in this flyer, we reserve the right to correct.
